Folium 11v/Blat 11v	2	81	2	75	Isidorum	ysidori	-	-	-	-	-	-	-

Note:

¹⁾ The last of the 3 great tragic dramatists of classical Athens, following Aeschylus and Sophocles.

²⁾ Date according to Rabbinic Judaism.

³⁾ The 'Pentateuch', not to be confused with the grimoires '6th and 7th Books of Moses' (18th c.) and '8th Book of Moses' (PGM XIII, 4th c. AD).

⁴⁾ The biblical wisdom books are not to be confused with the 'Wisdom of Solomon', written around the 1st-2nd c. BC.

⁵⁾ St. Jerome and others identified Philo as the author of the 'Wisdom of Solomon', however, contemporary views reject this hypothesis.

⁶⁾ Nowadays primarily attributed to Moses de León (13th c.); s. also 'The Secrets of Rabbi Simon ben Yohai', 8th c. AD, revelations by the archangel Metatron.

⁷⁾ Character appearing in Plato's 'Dialogues', specifically the eponymous 'Timaeus' and its sequel 'Critias'.

⁸⁾ Pliny the "Younger" (Gaius Plinius Caecilius Secundus, c. 61 – 113 AD), Plinius, fol./Blat CXIr.

⁹⁾ Anonymous philosopher (Dionysius, 1350), claimed to be the historical Dionysius the Areopagite, 1st c. AD.
